BARNES New York - Thursday, October 28, 2021.

Chrissy Barker, REALTOR® (<http://www.chrissybarker.com>) in Northern Colorado, has returned to her roots at RE/MAX by joining the team of RE/MAX Alliance in Fort Collins. She began her career with RE/MAX in 2002 and eventually transferred to C3 Real Estate Solutions in 2016. She is now part of the office owned by veteran REALTORS, Dennis Schick and Gene Vaughn, top echelon real estate professionals who have built a highly recognized team in the region and beyond.

She comments, "Being a REALTOR® means I get to connect with people which is what I do best! I combine my people skills, sales and marketing background & mortgage lending experience along with strong negotiation skills to help buyers and sellers navigate our challenging but awesome real estate market in Northern Colorado!"

Barker was listed in Top Agent Magazine in 2019 and is a Colorado native who excelled in sports throughout her life. She played for the CSU Rams Volleyball Team during her college years and says, "Playing sports my whole life has taught me to be competitive, feisty (when needed) and humble. I believe in meeting people where they are in the journey of life: listening, caring and assisting them in moving forward with their goals and dreams. I am a people-person, resourceful, and go above and beyond in anything I do. I have a creative mind and am solutions oriented. You'll find me to be outgoing, optimistic, authentic and energetic!"

In 2020, Barker earned her Certified Luxury Home Marketing Specialist designation. The CLHMS designation is one reserved for agents who are experienced and interested in the buying and selling of luxury properties and working with high-dollar transactions in their respective markets. This designation is given through the Institute for Luxury Home Marketing and is considered to be among the elite for agents seeking to expand their business and capabilities in the industry.

Currently, Barker serves in the following capacities within her industry and community:

Fort Collins Board of REALTORS®

Colorado Association of REALTORS®

National Association of REALTORS®

Ninja Selling Certified

Veteran Approved

American Warrior Real Estate Professional

Buffini & Company Peak Producer

Homeowners Association (HOA) Architectural Committee for Stetson Creek in Fort Collins.

As a new member of the RE/MAX Alliance team, Barker joins 100+ REALTORS who specialize in all types of real estate, from residential and commercial to investment properties and more.
